

|                    |                      |
|--------------------|----------------------|
| Item No. :         | DB-1217              |
| Antenna Category : | Amateur Ham          |
| Frequency :        | 144/430Mhz           |
| Gain :             | 5.0/7.6dB            |
| VSWR :             | <1.5:1               |
| Polarization :     | Vertical             |
| Impedance :        | 50 ohm               |
| Max. Power :       | 150W                 |
| Radome Material :  | Copper (Gray Chrome) |
| Length :           | 1.58m                |
| Weight :           | 600g                 |
| Mount :            | "M"                  |
