

|                    |                  |
|--------------------|------------------|
| Item No. :         | TC-504           |
| Antenna Category : | Roof Antenna     |
| Frequency :        | 824-960MHZ       |
| Gain :             | 7dB              |
| VSWR :             | <1.5:1           |
| Polarization :     | Vertical         |
| Impedance :        | 50 ohm           |
| Connector :        | FME,Mini-UHF,TNC |
| Cable :            | RG58             |
