

|                    |              |
|--------------------|--------------|
| Item No. :         | TC-506FME    |
| Antenna Category : | Roof Antenna |
| Frequency :        | 824~960Mhz   |
| Gain :             | 9dB          |
| V.S.W.R. :         | <1.5:1       |
| Impedance :        | 50 ohm       |
| Connector :        | FME          |
| Cable :            | RG58         |
| Length :           | 110CM        |
| Weight :           | 300g         |
| Polarization :     | Vertical     |
